Six West Wins *Most Innovative Business Award*

Cork, Ireland, 2 December 2019 – [Six West](#), a world leading provider of flight operations services to aircraft lessors, airlines and private aviation is delighted to announce that it has secured the *Most Innovative Business Award* at the Southern Star’s annual West Cork Business and Tourism Awards’ ceremony held on Friday 29 November in Cork, Ireland.

The West Cork Business and Tourism Awards is an initiative which celebrates and recognises excellence in business and tourism in Cork and with offices in Cork, Dublin, Hong Kong, Malta and the Cayman Islands, Six West was keen to participate in the yearly event.

This year, the judges received 140 entries in 11 categories and following a “pitch and presentation” to industry peers and a judging panel in October, Six West was found worthy of winning the coveted *Most Innovative Business Award*.

Co-founder Jason Williamson states, “This award is testament to our commitment to deliver innovative solutions to the aircraft leasing and aviation industries. It also recognises how the geographically dispersed Six West team, spread throughout Europe, Asia and the US, bridge time zones and continents to consistently deliver world-class services to the largest aircraft leasing organisations, who rely on us to deliver safe and efficient solutions in response to their needs. Our Skibbereen office manages all finance, logistics, travel, HR and administration globally, backing up the Flight Operations team in Dublin and abroad. The operations are fast-paced, dynamic and technical. Watching our team perform is a live example of what educated, smart and hardworking people are capable of doing on a global scale when goals are aligned, tools are provided and teamwork is prioritised.”
