## Six West joins the Jersey Aircraft Registry

**Dublin, Ireland, 15 September 2020** - [Six West](#), a world-leading provider of flight operations services to aircraft lessors, airlines and private aviation has recently become a member of the [Jersey Aircraft Registry](#).

The Jersey Aircraft Registry is the world's first blockchain-enabled aircraft registry, offering an online registration platform that's fast, secure and available 24/7.

Furthermore, it simplifies the registration process and grants its users access to reputable aviation support services that are geared at helping aircraft owners, lessors and airlines to operate their aircraft safely and efficiently.

Matthew Gee, Six West's Chief Operating Officer states, "This membership allows us to deliver our full range of [flight operations services](#) to a wider audience. Our expertise lies in safely managing complex flight operations during lease transitions, deliveries, demonstration and check flights and distressed recovery operations. Our dedicated team is ready to assist registrants as they navigate the obligations tied to aircraft ownership".
